Sex Male | Date of birth 27/03/2004 | Nationality Bangladeshi

## SCHOLARSHIP APPLIED FOR or, STUDIES APPLIED FOR or, PERSONAL RESEARCH STATEMENT (FOR PHD APPLICATION)

Undergraduate Scholarship for Studies in Software Engineering
Bachelor of Software Engineering with specialization in Web & Software Development

## EDUCATION AND TRAINING

**2023 – 2027**

### Bachelor of Software Engineering (Undergraduate)
### Daffodil International University

With a strong foundation in Software Engineering from Daffodil International University, you have developed the skills to build modern web applications, further strengthened by hands-on project experience and practical problem-solving.

## WORK EXPERIENCE

### Sales Representative – Ginyard International Co.
• Increased annual revenue by 25%
• Managed 50+ client accounts
• Conducted market research

### FMCG Sales Agent – Timmerman Industries
• Increased sales by 20%
• Lead generation and customer engagement
• Supported marketing campaigns

## CERTIFICATIONS

### DIU BreakOut Algorithm Programming Certificate
For participating in DIU BreakOut Algorithm Programming Contest, Summer 2025, held on 26th September 2025 at the Department of Software Engineering.

### Responsive Web Design Certificate of FreeCodeCamp
Developer Certification on December 1, 2025

PROJECTS

### Bill Pie Website
A bill management application for viewing, paying, and tracking monthly bills.
**Technologies**: React, Tailwind CSS, Firebase, Stripe, MongoDB etc.
**Live:** https://smart-deals-c7f0b.web.app

### Urban Insight Website
A full-stack platform for reporting and tracking public infrastructure issues.
**Technologies:** React, Node.js, Express.js etc.
**Live:** https://zap-shift-44e49.web.app

### Payon App
A digital banking-style app for managing balances and transactions.
**Technologies:** JavaScript, HTML, CSS etc.
**Live:** https://wasin87.github.io/Payon-App

### App Installer Website
Web app to browse software, view details, and check ratings before installation.
**Technologies:** React , JavaScript, HTML, CSS3, Tailwindcss etc.
**Live:** https://earnest-taiyaki-e9b21a.netlify.app

PERSONAL SKILLS

Mother tongue(s)   Bangali

Other language(s)

| UNDERSTANDING | | SPEAKING | | WRITING |
|---|---|---|---|---|
| Listening | Reading | Spoken interaction | Spoken production | |
| English | | | | |
| B2 | B2 | B2 | B2 | B2 |
| English Level : B2 | | | | |
| Hindi | | | | |
| A2 | A2 | A2 | A2 | A2 |
| Hindi Level: A2 | | | | |

Levels: A1/A2: Basic user - B1/B2: Independent user - C1/C2 Proficient user

Communication skills   Effective verbal and written communication in professional and team settings

Organisational / managerial skills

**Project Management:** Led full-stack web projects from planning to deployment using agile methods
**Team Coordination:** Facilitated collaboration between frontend/backend developers and conducted code reviews
**Workflow Optimization:** Implemented structured Git workflows and task prioritization systems
**Client Communication:** Translated business requirements into technical tasks during development cycles
**Time Management:** Balanced academic workload with multiple development projects and deadlines

Job-related skills

**Frontend Development:** React.js, HTML5, CSS3, Tailwind CSS, DaisyUI, JAVA, C, C++
**Backend Development:** Node.js, Express.js, PHP, SQL, RESTful API development
**Database:** MongoDB, Firebase Firestore
**Authentication & Security:** Firebase Authentication, JWT, secure API practices
**DevOps & Deployment:** Git, GitHub, Vercel, Firebase Hosting
**Payment Integration:** Stripe API integration
**UI/UX Implementation:** Responsive design, mobile-first development, Figma collaboration

**Digital competence**

| SELF-ASSESSMENT | | | | |
|---|---|---|---|---|
| Information processing | Communication | Content creation | Safety | Problem solving |
| C1 | C1 | C1 | B2 | C1 |

Levels: Basic user - Independent user - Proficient user

**ICT-certificate**

| Certificate in Computer Training Government of Bangladesh (ICT Division) |
|---|

Government Certificate Based Skills
• **Proficient in:** Microsoft Office Suite (Word, Excel, PowerPoint, Access)
• **Experienced with:** Basic Computer Operations, Internet & Email Management
• **Trained in:** Digital Literacy, Online Safety, and Information Management

**Other skills**

Programming Languages: JavaScript (ES6+), HTML, CSS
Frameworks & Libraries: React, Express, Tailwind CSS
Tools & Platforms: Git, VS Code, Postman, Chrome DevTools, npm, Firebase Console
Methodologies: Agile/Scrum, CI/CD basics, responsive web design

**Ex. Programming Language Skills**
**Scientific Operational Skills**

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS, DaisyUI, C, C++, JAVA
**Backend:** Node.js, Express.js,PHP, RESTful API Development
**Database & Auth:** MongoDB, SQL, Firebase Authentication
**Tools:** Git, GitHub, Vercel, Firebase Hosting, Stripe Integration

## ADDITIONAL INFORMATION

**Competences**

Analytical & Problem-Solving: Systematic debugging, performance optimization, and analytical thinking
Agile & Collaborative: Experienced in teamwork, agile workflows, and time management
Technical Processes: Skilled in documentation, code review, and iterative development
Adaptive Learning: Quick to learn new technologies and development environments
Code & UX Focus: Passion for clean code, optimization, and user-centered design

## REFERENCES

Replace with list of referees' information (two referees' information is good for master level program application, three could be for PhD Application).
Examples:
▪ Name
▪ Position
▪ Department and University
▪ Contact Information
